# International Symposium on Monolayer- Protected Clusters

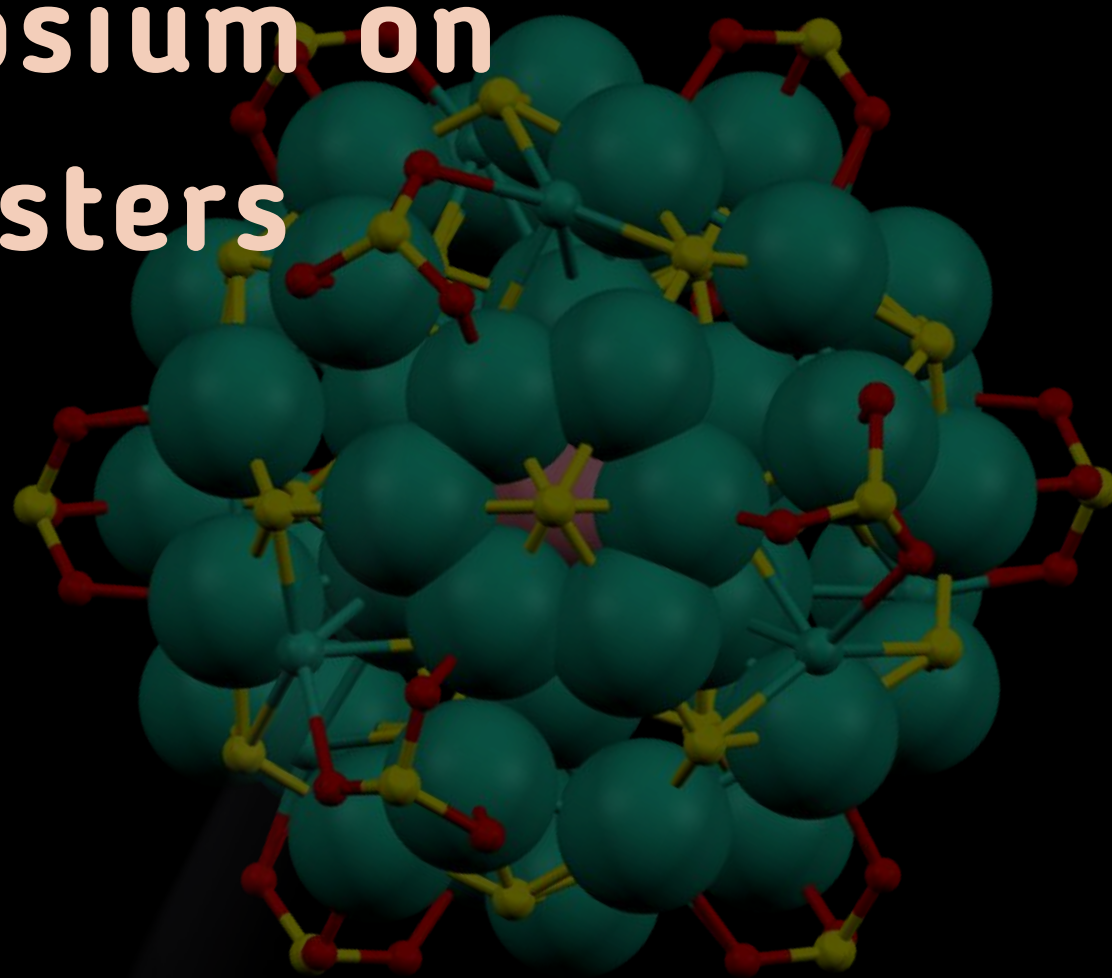

\*

# WELCOME TO ISMPC 2025!

## 8th International Symposium on Monolayer-Protected Clusters

will be held at Chandys Wind Woods at Munnar, Kerala, India. It will be jointly organized by Indian Institute of Technology, Madras and Indian Institute of Science Education and Research Thiruvananthapuram from September 22nd to 24th 2025. We eagerly anticipate engaging and dynamic discussions on cutting-edge research and real-world applications of monolayer-protected clusters. The program will feature both experimental and theoretical presentations, covering topics such as synthesis, characterization, spectroscopy, catalysis, and biological applications.

## ORGANIZERS

**Prof. T. Pradeep**

Indian Institute of  
Technology Madras

**Prof. Sukhendu Mandal**

Indian Institute of Science Education  
and Research Thiruvananthapuram

## MEMBERS

**Dr. Shibu Sidharth**

University of Calicut

**Dr. Indranath Chakraborty**

Indian Institute of Technology  
Kharagpur

## CHANDYS WINDY WOODS

Pallivasal, 2nd Mile, Meencut P.O

Munnar - 685 565

Kerala, India.

## CONTACTS

**Prof. T. Pradeep**
